**There will be NO Pastors
Sermon in the Round during the
months of June, July.**

Dear Church Family,

As Teresa and I will be gone the first week of June for the 4th Birthday of our 2nd granddaughter it is my hope for you this summer that you will grow in vision for our church's missional opportunities. May we together seek to gain further understanding and seek God's heart towards that goal. So that we may be prepared to serve for several more years in our community and our world.

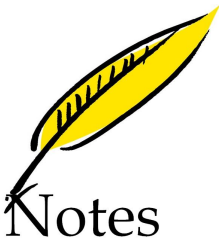

May we strive to work into our lives small group opportunities for us to strengthen our relationships with Jesus and our church family. One such way is to look towards sharing in our church mission through a team engagement process for those in leadership and those interested in ministry so that we may continue the renewal of our church. We will use as our spring board into the waters of this ministry movement the ideas and actions suggested in God's word to focus on: sharing Jesus through worship, fellowship, discipleship. Please join me in praying this summer to seek God's wisdom as we learn and practice ministry together.

This is a process. It is simple but again, not easy. We live in an ever changing cultural landscape and our job is to engage those around us as best we can. Over and over those of us practicing ministry are called to pray. God knows the waters in which we are wading and he can lead us through this ever-changing landscape. All he asks of us is to pray, listen, pray some more, share, learn, pray even more, and do ministry to the best of our ability. We will make mistakes, Lord knows I do, but we will learn and strive to be more and more like Jesus.

Please pray for Teresa and I these coming weeks as we engage in a process of learning and reconnecting with God and others. Know that I am lifting up you and your families to God and ask that you please pray for our family as well. Many in our church are transitioning into assisted living situations and some are coming back to the area after being away for the winter. Please lift up those who are finding their "new normal" in life. You are ever in our prayers and we look forward to this summer of mission and opportunity. Please know that we will be praying for you as you vacation, fellowship and renew with others. Blessings and see you soon and have a blessed summer.

In His Service,

Pastor Bryan

Well normally during the summer months the church slows down as members take their summer vacations, camp, and boat at the various lakes but this year we are busy for the whole summer. Check out the calendar and plan to attend any of the events in the coming months (or all).

From the Chairman

One of the major things we have been working on in the last month is security for the church and preschool. We had some instances over the past month that have caused us to revise our security procedures for the church. We have installed a "Ring" doorbell at the elevator door. Please ring the doorbell and someone (Kathy, Bryan, or Lisa will answer. Please be patient for a response. If you do not get a response, please call the church office. Once they know who is wanting in the church they will come down and let you in. We are working on other potential ways of allowing people access to the building without giving unauthorized visitors the opportunity to enter the church. We wish this could be different, but we must work in the world we live in today. If you have any questions, please feel free to contact Bryan or myself with questions or concerns.

As always if you can help during "Worship and Wonder" it would be appreciated. The kids watch a video, answer some questions, and have a snack. Thank you for considering helping.

Have a great summer and see you at church!! Dennis Baker, Chairman

SUBSTITUTE NURSERY ATTENDANT NEEDED!

He will be in Colorado Springs in July so looking into a possibility of him coming to Casper and talk to the congregation. Everyone is asked to think about local organizations we could help besides the sandwich and blanket ministry, the Rescue Mission and Youth for Christ. We're sure there are others in need of help.

Keep your eyes peeled on the downstairs bulletin board for a sign up sheet for volunteers to help with sandwich ministry and serve dinners at the Rescue Mission. Any questions contact Annette Ambrosino or Wanda Hogan.

CHECK OUT THE NEW PRESCHOOL LOGO!!! We worked with a graphic designer to create the new logo. We're proud to be part of First Christian Church and think the new logo expresses that.

We are so excited for the end of the year! We're having our music programs and end of year celebration, and saying goodbye! We have had so much fun learning this year.

We have quite a few pre-registrations. We have a listing on KCWY News 13 community calendar until the end of June and are handing out some marketing packets to local pediatricians offices. We have a goal to grow from 42 kiddos to 52 next year.

Thank you everyone at First Christian Church for your continued support. We couldn't be successful without you! See you in the fall!! **Megan Jones, Director**

CONGRATULATIONS to Erika Stupak. Erika is now the Cubmaster of Pack 13. She has alot planned for the cubs during the month of June. They will have their rank advancement ceremony and family picnic on June 6th at the Scout House and will be attending a Casper Horseheads baseball game on June10th.
