

"What to Do with Your Stuff? Don't Leave Estate Planning to the Flip of a Coin"

Description: Can you increase your income, conserve your estate, provide for your family and church and reduce taxes? The answer is "Yes!"

Join the growing number of Disciples who have discovered how making a planned gift can benefit you, your loved ones and your congregation and other church-related Ministries.

Rev. Don Sarton of the Christian Church Foundation will be here on Sunday, February 21stth for a planned giving seminar, "What to do with my Stuff?", we will discuss:

- The role of stewardship in our faith journey
- How permanent funds can further ministry and mission
- How to effectively use life-income gifts in inheritance planning
- Ways to transfer property to heirs

What you won't get is:

- Somebody trying to sell church members a product
- Somebody trying to raise money for their own institution
- Somebody pressuring members to divert money away from the congregation

The Christian Church Foundation is a general ministry of the Christian Church (Disciples of Christ) with a mission of helping Disciples make a difference by being good stewards of their accumulated assets. Disciples typically do not give to the Foundation, but *through* it to support their most beloved Disciples ministries and institutions, including their congregations.
