KEEP IN MIND!

LAWYER is the expert in the law (what was the law: TORAH)

THE **SHEMA** is a foundational principal of faith.

LEVITICUS is not the backwoods of the OT. It is important part of “**HOLINESS CODE**” for people around Jesus.

Law & Prophets all **HANG** or **DEPEND** on these 2 commandments. These 2 now become the foundational / guiding principal for how to live as a person of faith.

PONDER

*All the law and prophets depend on these 2
as a door hangs on hinges;
without the hinges, the door is useless
without the door, the hinges are useless*

QUESTION:

If what Jesus says is true,
why do we insist on posting the “10 commandments”
in our churches and in the public square instead of the
“Greatest Commandment”?

Love Neighbor*
